AquaTrophin™

BIOACTIVE PEPTIDES METABOLIC HEALTH & MUSCLE SUPPORT

AquaTrophin™ Bioactive Peptides, powered by clinically validated ProGo® salmon protein hydrolysate, redefine what protein supplementation can do. This is not collagen, not whey, and not plant protein. This is a highly digestible, highly bioavailable, bioactive marine peptide technology shown to support:

- Weight loss & BMI reduction
- Lean muscle preservation via myostatin/activin A modulation
- GLP-1 activity for metabolic health
- Gut health, digestion & low-reactivity absorption
- Cognition, mood, and neuroinflammation reduction
- Healthy blood sugar & insulin response

AquaTrophin™ Bioactive Peptides is the first clinically validated, complete EAA marine protein engineered for metabolic health, muscle preservation, cognition, gut support, and inflammation balance. This is no longer just "protein"—it's a metabolic performance tool.

**Supports Weight Loss
& Healthy BMI†**

**Helps Maintain
Lean Muscle†**

**Promotes Gut
Health & Digestion†**

AQUATROPHIN™ SUPPORTS MUSCLE RETENTION BY:

- Lowering myostatin (inhibits muscle breakdown)
- Modulating activin A (supports muscle synthesis)

ESPECIALLY VALUABLE FOR:

- GLP-1 users
- Individuals cutting calories
- Aging adults
- Athletes managing body composition

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

PEAK PRECISION NUTRITION

BECAUSE PROGO® IS A VERY LOW DALTON WEIGHT HYDROLYSATE, IT:

- Absorbs rapidly
- Requires minimal digestion
- Is extremely light on the stomach
- Avoids the bloating or heaviness of whey or plant proteins
- Is non-lactose, non-allergenic, and ideal for sensitive gut populations

METABOLIC HEALTH

- Supports healthy BMI reduction
- Enhances GLP-1 signaling
- Helps stabilize blood sugar

LEAN MUSCLE & STRENGTH

- Complete EAA spectrum
- Perfect PDCAAS & high DIAAS
- Myostatin + activin A modulation

GUT SUPPORT & DIGESTION

- Ultra-easy absorption
- Non-lactose, non-bloating
- Low gastric load

COGNITIVE, MOOD & INFLAMMATION SUPPORT

- Reduces neuroinflammation
- Improves energy & focus

Supplement Facts

Serving Size: 1 Scoop (11 g)

Servings Per Container: 60

	Amount Per Serving	%DV
Calories	33	
Total Fat	0.015 g	<1%
Saturated Fat	0.015 g	<1%
Total Carbohydrates	0.285 g	<1%
Sugars	0 g	**
Dietary Fiber	0 g	**
Protein	7.75 g	**
Sodium	24 mg	1%
Allulose	0.285 g	**
ProGo® Salmon Protein Hydrolysate (88.0 %)	7.75 g	**

* Percent Daily Value (DV) are based on a 2,000 calorie diet.

** Daily Value (DV) not established.

Allulose declared separately per FDA 21 CFR 101.9(c)(6)(iii).

Allulose does **not** count toward sugars

Other Ingredients:

Citric Acid, Natural Flavors, Allulose, Silicon Dioxide, Stevia, Natural Peach Flavor, Natural Cherry Flavor

RECOMMENDED USE

Adults take 1 scoop daily, mixed into water, a smoothie, or your preferred beverage, or as directed by your healthcare practitioner. Stir to mix; shaking may cause excessive foaming. If using for muscle mass preservation use 1 scoop twice daily.

ProGo® is a clinically proven marine protein delivering all 9 essential amino acids (EAA) with unmatched digestibility and bioavailability—plus rare bioactive properties that go beyond basic protein to support weight management, gut health, cognition, and glucose metabolism.

Contains: No salt, soybean, yeast, dairy, gluten, added color, artificial flavor or preservatives.

Tamper Resistant Seal. If seal is broken, do not use.

Caution: If pregnant consult your health-care practitioner before using this product.

Allergen Warning: This product contains fish (salmon).

Keep out of reach of children.
