

# PEAK PRECISION NUTRITION

## Proteineum Prime

### FROM ORGANIC HEMP, PUMPKIN & WATERMELON SEED

Proteineum Prime® is a unique blend of organic hemp, watermelon and pumpkin proteins, designed by Clinical Pharmacist Jim LaValle. Proteineum Prime is also supported by a full spectrum of amino acids for training and building muscle. Proteineum Prime® contains a high quality, full spectrum, organic hemp-based protein containing omega-3 and omega-6 fatty acids. Mega Hemp Protein also contains Solnul, a trademarked prebiotic, resistant potato starch to help keep GUT microbiome ecosystem balanced and nourished. Proteineum Prime® is designed as a low allergen alternative to current protein supplementation on the market (pea, whey, egg, rice) and works well for the avid athlete or those needing metabolic support and weight loss.

### LOW ALLERGEN

Designed as a low allergen alternative to current protein supplementation on the market (pea, whey, egg, rice).

### SOLNUL FOR GUT MICROBIOME

Resistant potato starch to help keep GUT microbiome ecosystem balanced and nourished.

### ESSENTIAL AMINO ACID BLEND

Contains a high quality, full spectrum, organic hemp-based protein containing omega-3 and omega-6 fatty acids.

**Organic Ingredients**

**Low Allergen**
