## TriHelix Pro

### COLLAGEN MATRIX JOINT & BONE DUAL BENEFIT

TriHelix Pro™ Collagen Matrix delivers the world's first marine-sourced, Type II collagen clinically shown to be bioequivalent to UC-II®—but with superior heat stability, sustainability, and cost efficiency.

Unlike chicken-derived, highly processed Type II collagen, NT II™ is a natural Atlantic salmon cartilage extract containing its original calcium scaffold, enabling slow release and supporting both joint comfort and bone mineral density (BMD)—a rare dual benefit.

TriHelix Pro™ is the new gold standard for people seeking measurable improvement in mobility, comfort, resilience, and long-term joint protection.

### JOINT HEALTH

- Significant improvements in WOMAC scores
- Supports reduced discomfort and increased ease of movement

### BONE HEALTH

- Clinically observed increases in bone mineral density (BMD)
- Natural calcium scaffold enhances absorption and slow-release kinetics
- Natural calcium matrix offers structural benefits
- Supports long-term bone health

**Natural, Traceable  
Atlantic Salmon Collagen†**

**Supports Joint  
Comfort & Mobility†**

**Helps Maintain Bone  
Strength & Density†**

# PEAK PRECISION NUTRITION

## NO OTHER TYPE II COLLAGEN INGREDIENT OFFERS THIS JOINT + BONE SYNERGY.

- Derived from natural Atlantic salmon cartilage
- Zero starch, zero chemical treatments
- Sustainably sourced and fully traceable
- Built-in calcium scaffold for structural protection and slow release

This is a major differentiator in a market increasingly focused on clean, ethical sourcing.

TriHelix Pro™ is a next-generation Type II collagen matrix that surpasses UC-II® with superior stability, sustainability, bioequivalence, and a rare dual benefit for both joint and bone health. This is the future of orthopedic wellness.

## Supplement Facts

Serving Size: 4 Capsules  
Servings Per Container: 30

	Amount Per Serving	% DV
NT II™ Natural Type II Collagen	2 g	**

\*\* Daily Value (DV) not established.

### Other Ingredients:

Hypromellose (Plant-Based) Capsule,  
Microcrystalline Cellulose, Silicon Dioxide,  
Magnesium Stearate

**Allergen Warning:** Contains Fish (Salmon)

## RECOMMENDED USE

Adults take 2 capsules twice daily (total 4 capsules per day) or as directed by your healthcare practitioner.

This formula delivers NT-II™ collagen sourced from natural, traceable Atlantic salmon. It's designed to support your joints and bones together, giving you comfort, mobility, and strength in one simple daily routine.† Helps reduce joint discomfort and improve everyday mobility.†

**Contains:** No salt, soybean, yeast, dairy, gluten, added color, artificial flavor or preservatives.

**Tamper Resistant Seal. If seal is broken, do not use.**

**Caution:** If pregnant consult your health-care practitioner before using this product.

**Keep out of reach of children.**
